# Features and Benefits

## Heavyweight

- Melamine from Elite Global Solutions is typically 20% heavier than standard melamine, producing a stronger, more durable and more aesthetic product.
- Break & Chip resistant.
- Handle with care and deliver a stunning presentation, time and time again.

## Commercial dishwasher safe

- A great advantage in a busy service environment.

## NSF & SGS certified products

- Elite Global Solutions are an NSF approved supplier
- All our product complies with the SGS testing regime

## Handles hot and cold food

- A versatile product, great for flexibility in whichever environment you work.

# Care Handling Instructions

## Plastic cleaners are the best

- To keep your melamine products looking great use only non-abrasive plastic pads or plastic-type bristles.

## Don't bleach it

- Elite Global Solutions products are dishwasher safe, however it is important to avoid the use of chlorine or chlorine-based detergents or bleach.
- It is recommended that the Rubber Pedestals are hand washed.

## Pre-soak

- If necessary pre-soak your melamine products in a high-quality pre-soak dishwashing detergent.

## Perfect for ambient foods

- Heating through oven or microwave use is not recommended for your melamine products.
- They can however withstand temperatures up to 100°C.

## BUFFET

Buffet is changing, it is exciting and new. New concepts like buffet fresh are changing the demand on buffetware suppliers, quick change-overs and smaller, fresher product means a shift towards manageable display solutions. From the classic shapes and sizes of the Belize range, to the stunning effect possible with Rocky Mountain High, melamine is a perfect solution to the demands of a buffet operation.

Innovative surface effects as seen on Crinkled Paper provide a different and exciting presentation style, whilst the stylish shapes of Moderne help deliver an elevated experience.
