

Code Of Green Conduct

Taking steps to support the environment

- The company is committed to good environmental practice, ensures that it will meet the standards set by environmental law and fulfil its legal duty-of-care requirements for waste and disposal.
- The company will reduce, re-use and recycle at every opportunity to improve its environmental performance.
- Purchasing priorities will be given to buying locally, sustainably and ethically.
- The company will take responsibility for its environmental actions.
- The company recognises this to be a long-term commitment to continually improve and update environmental practice
